8. The Company, for the basic rate, shall be obligated to furnish service to any residence property within the Borough which is located within two hundred fifty (250) feet from any existing facility of the Company, and for which a right of way is available. For any installation beyond a distance of two hundred fifty (250) feet, the charges shall be negotiated between the Company and the prospective customer.
9. The Company shall maintain a business office or agent at their main office for the investigation and resolution of all complaints, service quality, and equipment malfunctions, or other matters pertaining to the operation of the cable television service. The service man will answer all complaints as quickly as possible. Service shall be prompt in the event of a malfunction under the control of the Company.

If any disagreement shall arise between the Company and its

successor in respect to what constitutes a fair market price for the assets of the Company, the same shall be decided and determined by arbitrators, each party, each party, its successors or assigns, shall appoint one such arbitrator, and a third such arbitrator shall be chosen by the other two arbitrators within five (5) days of their appointment. The Company's transmission and distribution system poles, wires, and appurtenances shall be located, erected, and maintained so as not to endanger or interfere with the lives of persons, or to interfere with new improvements this Borough may deem proper to make, or to unnecessarily hinder or obstruct the free use of the streets, alleys, bridges, or other public property; removal of poles to avoid such interference will be at the Company's expense.

Construction and maintenance of the transmission distribution system shall be in accordance with the provisions of the National Electrical Safety Code, prepared by the National Bureau of Standards, the National Electrical Codes of the National Board of Fire

112

18. That it is the stated intention of the Borough of Corsica that all other holders of public licenses and franchises within the corporate limits of the Borough shall cooperate with the Company

to allow the Company's joint usage of their poles and pole line facilities wherever possible or wherever such usage does not interfere with the normal operation of said poles and pole lines so that a number of new or additional poles constructed by the Company within the Borough may be minimized. Such cooperation shall include the right of joint usage at reasonable rates and on reasonable terms.

19. The Company shall grant to the Borough, free of expense, joint use of any and all poles owned by it for any proper municipal purpose acceptable to the Company, insofar as it may be done without interfering with the free use and enjoyment of the Company's own wires and fixtures, and Borough shall hold the Company harmless from any and all actions, causes of action, or damage caused by the placing of the Borough's wires or appurtenances upon the poles of the Company. Proper regard shall be given to all existing safety rules governing construction and maintenance in effect at the times of construction.

20. No person, firm, or corporation shall make any unauthorized connection, whether physically, electrically, acoustically, inductively or otherwise, with any part of the Company's cable television system, without payment to the owner of the system for paid service; and no person shall willfully tamper with, remove, or injure any cables, wires, or equipment of the Company.

Any person, firm, or corporation violating this section may be fined Fifty (\$50.) Dollars

for each violation thereof. Each day of such violation shall constitute a separate offense.

The Company shall carry insurance, to protect the parties hereto from and against all claims, demands, actions, judgments, costs, expenses, and liabilities which may arise or result, directly or indirectly from or by reason of such loss, injury or damage. The amounts of such insurance against liability due to physical damages to property shall not be less than twenty five thousand dollars (\$25,000.00) as to any one accident and not less than two hundred thousand dollars (\$200,000.00) aggregate in any single policy year; and against liability due to bodily injury or death of persons, not less than one hundred thousand dollars (\$100,000.00) as to any one person and no less than two hundred thousand (\$200,000.00) as to any one accident. The Company shall also carry such insurance as it deems necessary to protect it from all claims under the Workmen's Compensation Laws in effect that may be applicable to the Company. All insurance required by this agreement shall remain in

full force and effect for the entire life of this Ordinance. Said policy or policies of insurance or a certified copy of copies thereof shall be deposited with and kept on file by the Borough of Corsica.

22. The franchise and the rights, duties, and obligations as provided herein shall not be designed, transferred, setover, or sublet by the Company to any party of parties without the written approval of such transfer shall not be unreasonably withheld.

“Non-resident.” A person, partnership, association or other entity domiciled outside the taxing district.

“Person or Individual.” A natural person.

Section 5 – Declaration, Return, and Payment of Tax:

(A) Net Profits.

1. For 1975. Every taxpayer making net profits shall, on or before September 15, 1975, make and file with the officer on a form prescribed or approved by the officer, a declaration of his estimated net profits during the period beginning July 1, 1975 and ending December 31, 1975, and to pay to the officer in two equal quarterly installments the tax due thereon as follows:

The first installment at the time of filing the declaration and the second installment on or before January 15, 1976; and on or before April 15, 1976, shall

Notice of Proposed Tax Levy by Corsica Borough Council

Notice is hereby given by the Corsica Borough Council of their intention to adopt an ordinance imposing a tax levy for general revenue purposes, under and pursuant to the provisions of Act No. 511 of the General Assembly of the Commonwealth of Pennsylvania approved December 31, 1965 as follows:

A tax levy at the rate of one-half (1/2) of one per cent (1%) on earned income, including salaries, wages, commissions, bonuses, in year basis, without annual re-enactment, unless the rate of the tax I subsequently

changed.

The amount of revenue estimated to be derived from the aforesaid Earned Income Tax is Four Thousand Dollars (\$4,000.00).

The reason which, in the judgment of said Corsica Borough Council necessitates the imposition of the aforesaid tax is that the anticipated revenue of said Corsica Borough from other sources will be insufficient to properly pay the necessary expenses of the said Borough. An ordinance imposing the aforesaid tax levy shall be considered and final action of adoption thereof will be taken by said Corsica Borough Council at a meeting to be held on May 7, 1975 at 8 o'clock p.m. at the Corsica Firehall, Corsica, Pa. 15829.
